Fees for the SaaS Products are based on use of the SaaS Products in a manner consistent with the Documentation. If Customer uses the SaaS products in a manner that is outside or in violation of the Documentation, then Customer will cooperate with CARE4 to address any applicable burden on the SaaS Products or pay an additional mutually agreed upon fee.

1.3. Login Access to the SaaS Products. Customer is solely responsible for ensuring: (i) that only appropriate Authorized Users have access to the SaaS Products, (ii) that such Authorized Users have been trained in proper use of the SaaS Products, and (iii) proper usage of passwords, tokens and access procedures with respect to logging into the SaaS Products. CARE4 reserves the right to refuse registration of, or to cancel, login IDs that it reasonably believes to violate the terms and conditions set forth in this Agreement, in which case CARE4 will promptly inform Customer in writing of such refusal or cancellation. In addition to the rights set forth in this Agreement, CARE4 may suspend Customer's access and use of the SaaS Products if there is an unusual and material spike or increase in Customer's use of the SaaS Products and CARE4 reasonably suspects or knows that such traffic or use is fraudulent or materially and negatively impacting the operating capability of the SaaS Products. CARE4 will provide notice prior to such suspension if permitted by applicable law or unless CARE4 reasonably believes that providing such notice poses a risk to the security of the SaaS Products. CARE4 will promptly reinstate Customer's access and use once the issue has been resolved.

1.4. Trial Services. If Customer is using a free trial, a proof of concept version of the SaaS Products, a beta version of the SaaS Products, or using the SaaS Products on any other free-of-charge basis as specified in an Order including any related support services to the extent provided by CARE4 in its sole discretion (collectively, "Trial Services"), CARE4 makes such Trial Services available to Customer until the earlier of: (i) the end of the free trial or proof of concept period or beta testing period as communicated by CARE4 or specified in an Order; (ii) the start date of any purchased version of such SaaS Products; or (iii) written notice of termination from CARE4 ("Trial Services Period"). CARE4 grants Customer, during the Trial Services Period, a non-exclusive, non-transferable right to access and use the Trial Services for Customer's internal evaluation purposes in accordance with the Documentation and subject to the access and use restrictions set forth in this Agreement. Customer is authorized to use Trial Services only for evaluation and not for any business or productive purposes, unless otherwise authorized by CARE4 in writing. Any data Customer enters into the Trial Services and any configurations made to the Trial Services by or for Customer during the term of such Trial Services will be permanently lost unless Customer: (a) has purchased a subscription to the same SaaS Products as covered by the Trial Services; or (b) exports such data or configurations before the end of such free period. There is no guarantee that features, or functions of the Trial Services will be available, or if available will be the same, in the general release version of the SaaS Products, and Customer should review the SaaS Products features and functions before making a purchase. CARE4 will be under no obligation to provide Customer any maintenance or support services with respect to the Trial Services. Notwithstanding anything to the contrary, CARE4 provides the Trial Services "as is" and "as available" without any warranties or representations of any kind. To

the extent permitted by law, CARE4 disclaims all implied warranties and representations, including, without limitation, any implied warranty of merchantability, fitness for a particular purpose and non-infringement. Customer assumes all risks and all costs associated with its use of the Trial Services. Customer's sole and exclusive remedy in case of any dissatisfaction or CARE4's breach of the Agreement with respect to such Trial Services is termination of the Trial Services. Any obligations on behalf of CARE4 to indemnify, defend, or hold harmless under this Agreement are not applicable to Customers using Trial Services.

1.5. Third Party Materials. The SaaS Products may include Third-Party Materials subject to their respective licenses as indicated in the Documentation, where applicable. CARE4 warrants that such Third-Party Materials will not diminish the license rights provided to Customer herein or limit Customer's ability to use the SaaS Products in accordance with the Documentation, or create any obligation on the part of Customer to license Customer's software or products under any open source or similar license. Nothing herein shall derogate from mandatory rights Customer may have under any OCC Licenses, if any.

1.6. Support. As part of its provision of the SaaS Products, CARE4 shall make available technical support to Customer in accordance with CARE4's then applicable SaaS support terms. Upon notification from CARE4, Customer shall promptly update any Agents on Customer systems that interact with the SaaS Products. Customer acknowledges and agrees that its failure to timely install such an update may result in disruptions to or failures of the SaaS Products, security risks or suspension of Customer's access to the SaaS Products, without any liability on the part of CARE4 to Customer.

1.7. Mobile Applications. With regard to SaaS Products that require the use of mobile applications by an Authorized User, Customer shall ensure that all Authorized Users promptly download and install all available updates for the mobile applications. Unless otherwise agreed between the Parties, Customer will be liable for compliance with reporting and payment of such Indirect Taxes in its tax jurisdiction. CARE4 shall include the Indirect Taxes on its invoice to Customer and remit such Indirect Taxes collected to the relevant authority if required by applicable law. For the avoidance of doubt,

CARE4 will be responsible for direct taxes imposed on CARE4's net income or gross receipts in its tax jurisdiction.

2.3. Indirect Orders. Notwithstanding the foregoing, the final sales price or rate shall be freely and independently determined between the applicable Channel Partner and Customer. For the avoidance of doubt, in the case of such an Indirect Order, any indication in this Agreement of an agreement between Customer and CARE4 for the price payable by Customer for such Indirect Order shall be null and void and not form a binding part of this Agreement and the provisions of this Agreement related to payment terms, pricing and/or order procedures shall not apply.

3.3. Usage Data and Suggestions. CARE4 shall be permitted to collect and use the Usage Data for its reasonable business purposes and for Customer's benefit. In the event CARE4 wishes to disclose the Usage Data or any part thereof to third parties (either during the Subscription Term or thereafter), such data shall be anonymized and presented in the aggregate so that it will not identify Customer or its Authorized Users. The foregoing shall not limit in any way CARE4's confidentiality obligations pursuant to section 4 below. To the extent that Customer provides CARE4 with Suggestions, such Suggestions shall be free from any confidentiality restrictions that might otherwise be imposed upon CARE4 pursuant to this Agreement and may be implemented by CARE4 in its sole discretion. Customer acknowledges that any CARE4 products or materials incorporating any such Suggestions shall be the sole and exclusive property of CARE4.

This section 4 supersedes any and all prior or contemporaneous understandings and agreements, whether written or oral, between the Parties with respect to Confidential Information and is a complete and exclusive statement thereof. Additionally, the obligations set forth in section 5.3 and not section 4 herein apply to Customer Data.

CARE4's sole and exclusive liability, and Customer's sole and exclusive remedy, for breach of these warranties will be for CARE4, at its expense, to use reasonable commercial efforts to correct such nonconformity within thirty (30) days of the date that notice of the breach was provided; and, if CARE4 fails to correct the breach within such cure period, Customer may terminate the affected Order and, in such event, CARE4 shall provide Customer with a pro-rata refund of any unused pre-paid fees paid for the period following termination as calculated on a monthly basis for the affected SaaS Products.
